FIRE & SAFETY PVT. LTD.
AN ISO 9001 : 2015 CERTIFIED COMPANY

ABOUT US

“SAFETY IS NOT JUST A PRIORITY, IT'S ONE OF OUR VALUES”

SHIELDON Fire & Safety Pvt. Ltd. is a fire protection company that delivers quality fire protection systems and safety solutions under one roof. We protect lives and properties while providing an exceptional value to our customers. This is accomplished by the focus and delivering of the values: Integrity, commitment, Professionalism, Quality, Safety.

Integrity

You can trust us to be people of integrity. We'll do the right thing even if it hurts. We build trust by providing quality and excellence. No one worries that we won't deliver the highest quality. We build trust by our commitment. We build trust through our professionalism. We build trust by our commitment to safety. After all, we are dedicated to protecting lives and property.

Commitment

Commitment to the company, sticking out the tough times; to us, it means stepping up and being willing to give 200% whenever asked.

Professionalism

It is exemplified in the way we treat our customers and peers and conduct business... which gives what you expect to receive!

Safety

Our employees work in a safe and drug-free environment where they can go home at the end of the day the same way they came to work that morning. It's a simple and straight forward value, but it's very important to us. Our work environment changes daily; VALUES do not. We respect safe work practices & strive to send our employees home every day better than they arrived.

PRODUCTS & SERVICES

Supply & Refilling of Fire Extinguishers.

Portable fire extinguishers are the first line of defense against small fire in most buildings. Infact while sprinklers, alarms and other fire protection devices are only required in certain occupancies, portable fire extinguisher are required in every single business. We Provides:

- New Fire Extinguishers
- Refill & Service of Existing Fire Extinguishers

Installation & Services of Hydrant & Sprinkler System.

SHIELDON Fire & Safety Pvt. Ltd. design, install, inspect and service wet & dry hydrant and sprinkler system. We are committed to provide quality services to residential, commercial, industrial, institutional and educational buildings as per fire and safety regulation and guidelines. We provide best quality equipment's as per Indian standard i.e. fire pumps and panel, hose box set, different types of hydrant valves, first aid hose reel system and sprinkler system.

Installation & Services of Fire Suppression System.

Wet sprinkler systems are reliable, but certain situations call for options outside of water in the commercial and industrial marketplaces. SHIELDON Fire & Safety Pvt. Ltd. provides a full line of alternatives and expertise, including special hazard, dry chemical and various other fire suppression systems. Foam, CO2, and clean agent systems help maintain the integrity of your assets from manufacturer facilities to gas plants and refineries. We design and install all major manufacturer's suppression systems and can service all installed systems.

Types of Suppression System:

- Clean Agent Suppression System
- Kitchen Fire Suppression System
- Total Flooding System

We offer you efficient and reliable fire suppression systems for your home or commercial facilities.
